PROFILE

I am a responsible, hardworking, and dedicated individual who values discipline, honesty, and continuous learning. As a Criminology graduate, I have developed an understanding of law enforcement, public safety, and criminal justice. I also have practical knowledge of Shielded Metal Arc Welding (SMAW), which I learned during my Senior High School years. I am willing to take on new challenges, improve my abilities, and gain more experience. I can work independently and cooperate well with others to achieve common goals.
